The Haitian Community Thanks Club Members

Dear Ocean Reef Club Members,

One of the greatest book ever written wrote: ’There is more happiness in giving than there is in receiving!’ Acts 20:35

You had shown towards us great appreciation, loving kindness and tremendous greatness of heart and for those reasons, we all, the Haitian Community at Ocean Reef Club, would like to say: “THANK YOU FROM THE BOTTOM OF OUR HEARTS.”

Sincerely, we couldn’t express our sorrow, our sadness and our pain when HURRICANE MATTHEW blasted our land. We were kind of hopeless, disoriented not knowing what to do in order to help our loved ones to cope with their losses! Houses, family members, cattle, trees our source of living were gone. The only thing we thought we could do was praying then, you came along with this humongous heart of yours and next things we know, funds were collected!

Not only that you had sent food, clothing and money to Haiti to help our people, but you made sure that you handed us something directly so we can send to our loving parents. Words are not sufficed to express to you our gratitude and our gratefulness! Unfortunately, we don’t really have anything to give to you in order to repay for what you have done for us and for our family! But we can assure you that we will be more devoted and more dedicated to the club and to the work that is assigned to us.

May our words translate our appreciation, our gratitude and the love that we have for you all. We look forward to work for YOU for many more years! Our goal is and will remain the same: “please every single one of you in every way possible!” Once again, THANK YOU!

Warm Regards,
Francois Louis-Jean and
Darlande Theodore, Haitian Representatives
