# Sounds Like a Broken Record

Just when we thought it would never happen again, the most philanthropic community in the world brings All Charities to another all-time record. The well-received Josh Turner concert, underwritten by 2017 chairs **Ken Karl** and **Adelaide Skoglund**, as well as an unprecedented success of the silent and live auctions ranks the 10<sup>th</sup> Anniversary All Charities Weekend as best to date. Managing directors **Mike Berman** and **Mike Jones** commented: "this was the most inclusive event ever, with more social members, legacy members and equity members bidding online."
