Outgoing ORCF Chairman Goldstein Recognized

At the annual meeting of the Ocean Reef Community Foundation this week, Chairman Alan Goldstein was recognized by the Board of Directors as he stepped down from that position after 11 years of leadership resulting in remarkable growth and success. The Board also welcomed incoming Chairman Bill Nutt; Goldstein will continue to serve on the Board as Chairman Emeritus.

Goldstein is a founder of the Ocean Reef Community Foundation, established in 1994, and “Since that time it has become a very meaningful institution in the lives of Ocean Reefers and our nearby communities,” according to fellow founder and Vice-President Tom Davidson. He recalled the early years when "The Foundation initially became a significant institution as the recipient of the charitable donations used to build the Cultural Center from 1999 to 2001.”

Davidson summed up the progress that followed, “By 2002, the Foundation had assets of just under $5 million. Alan was elected chairman in 2003. Today the Foundation has fiduciary management of more than $26 million in assets and distributes over $5 million in charitable grants annually. Congratulations, and thank you, Alan!”

Goldstein remarked, “With Bill Nutt as Chairman, Steve Markel as President, Tom as VP, Larry Brady as Treasurer and this outstanding Board in place, I am very pleased to be able to step down with complete confidence that the Foundation is going strong and I anticipate great things in the future.”

Look for the Board’s announcement of the complete listing of 2013 Community Grants resulting from this year's record-setting All Charities Auction in next week’s issue.

Responsible Golf Cart Driving
Quick Safety Tips During This Busy Time

Left turns cause the greatest number of injuries. Rear passengers can be ejected on starts, unless they are given a warning that the cart is starting or turning.

Do not assume the right of way. Drive the golf cart as you would a motor vehicle, obey all rules of the road.

The Public Safety Department will be out during the holiday period, paying specific attention to the operation of golf carts and establishing random check points to ensure the safety of all in our community.

If you should have any questions or concerns, please call us at 367-2222 or 367-HELP(4357).

OUTGOING ORCF CHAIRMAN ALAN GOLDSCHILD RECOGNIZED
